

## Accurate Mark-Making: Foundations of Drawing

**Jessica Witte**

Learn to draw accurately and expressively from life. This class will build or raise your skill level as you explore fundamental exercises and individual problems. Mechanical aids as well as step-by-step approaches used by professional artists will be covered in class. Enjoy the process and challenges of drawing from life in a relaxed, supportive environment with lots of individual attention. All levels are welcome, ages 16 and above. Class size is limited to six to ensure individual attention. Instructor Jessica Witte is an award-winning artist who has taught college-level courses in the greater Chicago-area for several years before recently relocating to St. Louis. Join us for a challenging and enjoyable learning experience!
