# Collectors Choice XVIII

November 3, 2018

Collectors Choice is a beloved annual event for local artists, collectors, and art enthusiasts. Funds are raised through ticket sales for a night of suspense, chance, and luck of the draw as names of Collectors Choice ticket holders are randomly selected. When your name is called, you choose one of the available pieces of artwork! With the purchase of one ticket, the ticket holder and a guest may attend and acquire one piece of original artwork. All proceeds support the St. Louis Artists' Guild's mission and programs.

*"Art is unquestionably one of the purest and highest elements in human happiness. It trains the mind through the eye, and the eye through the mind. As the sun colors flowers, so does art color life."*

– John Lubbock (1834-1913),  
"The Pleasures of Life"

*"We had a fabulous time. Great food, laughs, and a lovely piece of art. Can't ask for more than that!"*

– Cathleen Robertson

## Special Thanks to Honorary Chair Blair and Margaret Fortner

"We appreciate the role of The St Louis Artist Guild in our community – and have such gratitude for the artists, volunteers and staff who have made over 130 years possible! With strong leadership, tireless volunteers and talented artists the future of the St. Louis Artist Guild is brighter than ever. With these forces in place, we believe the impact and reach of the St. Louis Artist Guild will continue to grow."

From our first trip, as a married couple, we began collecting a piece of art on each adventure. As we look at the pieces around our home we find this to be a reminder of our fun times together and a window into the cultures we've visited.

Outside of being parents to three adorable children, Blair and Margaret have exciting professional and philanthropic lives. They are involved in numerous St. Louis organizations including the Donald Danforth Plant Science Center, The Women's Exchange, College Bound, COCA, and their children's schools.

## Master of Ceremonies Patrick Murphy

Patrick Murphy has worked in St. Louis radio and television for the past 40 years. He currently produces arts programs for KETC, Channel 9. Since 1998 he has emceed the St. Louis Speakers Series at Powell Hall.

He is a member of the Webster Groves Arts Commission and a proud member of the St. Louis Artists' Guild.

## Greeting from our Board President

Thank you for being here and supporting the Artists' Guild through this wonderful event. Now in our 18th year, the Collectors Choice event is the premier St. Louis Artists' Guild fundraiser. As many of you know, the night of Collectors Choice is exciting, fun, and full of anticipation. This year we have changed things up a bit, enhancing the experience. We have brought the Silent Auction to the main event and also online to make it more dynamic. We also have the added benefit of great food and drink provided by Catering St. Louis.

The smooth operation of the Collectors Choice is due to the First Lady of the Artists' Guild, Margaret Cox, my wife, and her team of volunteers as well as Kathryn Nahorski, our Executive Director, and the staff of the St. Louis Artists Guild who worked tirelessly. I also want to thank the artists that donate their work that benefits the St. Louis Artists' Guild. Finally, we would like to thank our sponsors and members who donated items for the Silent Auction. Thank you all for your generous gifts, time, and effort.

For 132 years, we at the St. Louis Artists' Guild have been at the forefront of the art scene in this region. This event enables us to present some of the best exhibitions and ongoing classes, workshop, and lectures in the region, fulfilling our mission of inspiring art experiences.

Jerry Cox  
St. Louis Artists' Guild  
Board President

## A Message from the Event Chair

Welcome to the 18th year of Collectors Choice!  
We are so glad you are here this evening!

It is an honor to be your Event Chair for an occasion that I have attended for so many years. The groundwork laid by Joanne Stremsterfer, the previous Event Chair and members of our amazing committee has made my transition smooth. It has also afforded me the opportunity to work with some of the most accomplished artists in the St. Louis area and beyond. We at Collectors Choice are grateful for the exceptional quality of the art pieces donated for this event. Some of the artists exhibiting tonight are long time established members of the Guild while others are beginning their artistic journey.

A special thanks to Karthika Krishna and Jayne Lemke who coordinated our first time "online" Silent Auction. We also want to express our appreciation to the many individuals who created unique items as well as experiences for the Silent Auction that convey the distinctiveness of St. Louis Artists' Guild members. In addition, we are grateful for the support of the numerous sponsors, especially Catering St. Louis who provided the outstanding food and beverages.

It has also been a delight to have met the faithful patrons that attend this event year after year as well as those experiencing this event for the first time. We take great personal satisfaction when we receive comments from so many individuals that are happy with their selected piece. This, in part, occurs because of the diversity of the art pieces as well as the discriminating tastes of our patrons.

Lastly, an enormous round of applause for our Honorary Chairs Margaret and Blair Fortner, Executive Director Kathryn Nahorski and her staff, the Board of Governors, and Master of Ceremonies Patrick Murphy, and the many others who have assisted in making this year's Collectors Choice such an outstanding event.

Margaret A. Cox, Chair
